Good morning and Happy Tuesday 🌞

Got a message last night from her on facebook. I was on my phone so I saw the first part.

She said "why would you use me like that if you were just going to show him all the messages?" By the time I went to look at the message fully she had deleted it.i just blocked her on everything.

Yeah I knew she would say that. But I would have blocked her last week. She knows she messed up for real now with her lies
